Placement Preference

I prefer to teach yoga to the following age group or groups:

_____, but understand that due to availability I may be placed with a different age group.

I have a car I do not have a car

I would like to volunteer my time as I get started as a yoga teacher.

I would also like to be considered for paid teaching placements with Yoga Child as they come available.

(Please note that volunteer opportunities arise as sites undergo budgetary shifts. Volunteering allows a class that would need to stop short, to continue through to the end of the year and also allows sites that would otherwise not be able to provide yoga to their students, to do so. We sometimes have sites at which we provide complimentary yoga classes for a set period of time. These volunteer positions often turn into paid positions, as the sites are able to secure funding.)

Clearance Forms and Insurance

Please submit all background checks and insurance forms together at one time via email, once you receive them. Yoga Child must have these on file before we can place you at a site.

I have **obtained** all of the following: **my child abuse clearance** form, my **PA state criminal background**, my **FBI fingerprinting form**, and my **liability insurance**, and will scan and email them to gail@yogachild.net.

I have **applied** for my child abuse clearance form, my PA state criminal background check, my FBI fingerprinting form and liability insurance, and once accepted for a position, and will scan and email them to gail@yogachild.net

I understand that it is my responsibility to keep these forms current, including my insurance coverage, and to provide them annually (or every three years where appropriate) to Yoga Child, for so long as I shall volunteer or work for Yoga Child.

Non-compete

I understand that the same non-compete clause, which I signed for level I of the Yoga Child training remains in effect. I understand that should I begin to teach on behalf on Yoga Child for compensation, that compensation varies between \$25-\$40 per hour depending upon the site and upon my experience.

I understand that I need to sign a separate (Volunteer/Independent contractor) agreement, which outlines the nature of my agreement to work or volunteer with Yoga Child.
